PROJECTS

JARVIS (AI ASSISTANT)

Jarvis is like having Tony Stark's helpful assistant in your pocket. It helps with tasks, controls gadgets, and keeps things organized, just like in the movies.

VibeTribe

Travel Boldly, Transact Globally

Connect with like-minded travelers and explore the world through effortless payments, shared experiences, and instant connections. VibeTribe makes travel accessible, affordable, and impactful.

Defense Medical Monitoring Unit

Developed an Army Health Monitoring System capable of detecting vital parameters like pulse rate, temperature, humidity, GPS location, and light vision to enhance soldier safety and efficiency.
