EDUCATION

University Institute of Technology, The University of Burdwan

B.E in Computer Science Engineering

(2022-2026)

PROJECTS

RuralRetreats

Created a simple FrontEnd Website with HTML,CSS,JavaScript. RuralRetreats is a user-friendly website which helps to bridge the gap between between rural areas and tourism.It's aim is to improve the tourism of the rural areas by providing the access to the broad chain of rural homestays hence supporting employment. This Project Abstract was published on 6TH REGIONAL SCIENCE AND TECHNOLOGY CONGRESS 2023-24'.

Globify

Globify is a MERN stack web application that allows users to create an account and share their travel experiences. Users can post detailed travel blogs, connecting with others who share a passion for exploration.

FindO

This website is a complete package which gives access to knowledge of the upcoming Events,Hackathons,Domain Expertise Guide as well as the required Resources for beginners to start coding.The FrontEnd is made by React.js and BackEnd made by Node.js,Express.js,MongoDB and mongoose.

CARE

Care is a web platform connecting customers looking to dispose of non-functional e-gadgets with wholesalers seeking reusable parts, promoting sustainable electronics recycling.
